

Research Awards

- Applicants may submit a letter of application at any time that includes
 1. a brief description of the proposed research and writing project
 2. an explanation of how the proposed project will enrich the Durand family history
 3. the time period for the proposed research and writing project
 4. the amount of funds requested (up to \$300) and the intended purposes for which the Research Award will be used
- A recipient of a Research Awards is expected to provide the Durand Heritage Foundation with a written copy of the completed project with the understanding that the results may be published (in consultation with the recipient) in the Foundation newsletter
